BEHAVIORAL HEALTH SERVICES
AND
PARENTS UNIVERSAL INSTITUTE**

Mission:

Our mission is to empower individuals and communities by providing compassionate, evidence-based behavioral health services.

We are committed to promoting mental wellness, resilience, and recovery through personalized care that respects each person's dignity and unique journey.

By fostering a supportive and inclusive environment, we strive to reduce stigma, improve access to care, and collaborate with individuals and families to achieve lasting, positive changes in their lives.

We also strive to strengthen families and support communities by providing accessible, empowering services for Parents, Father's (Papa's Group).

We are dedicated to equipping parents with the skills, resources, and confidence to nurture and guide their children toward success, while helping individuals improve their language proficiency to achieve greater opportunities.

Through culturally responsive programs and a focus on education, empowerment, and community, we aim to create an inclusive environment where families thrive, and individuals reach their full potential.

Service Description:

Tree of Life in partnership with Parent Universal Institute offers outpatient behavioral health services, parenting classes and Papa's group counseling. Clients are matched with a clinician who specializes in their area(s) of concern.

We offer a variety of assessments such as mental health evaluations, parenting assessments, trauma assessments, domestic violence assessments, and substance use assessments. We offer targeted case management to all qualifying clients to increase their independence, stability, and awareness of community resources.

Upcoming Programs/Services:

- ◆ ESOL Courses
- ◆ Computer Literacy Classes
- ◆ CNA and HAA Program
- ◆ RN and LPN State Exam Preparation
- ◆ Mental Health State Exam Preparation
- ◆ Security Guard and Security Officer program
